

In My Squad

1. Download the .zip file package to your computer.
2. Extract the contents of the .zip file to a folder on your computer.
3. Open the folder with the extracted files.
4. Double click “In My Squad.exe” to start the Virtual Simulator or double click “index.html” to start the Virtual Simulator in a web browser.
5. In My Squad should now be running.

If you have any issues getting the product to work, please contact CAPE.
